Plaintiff EASTBAY EXPRESS PUBLISHING LP, a Delaware limited partnership, filed its complaint in this matter on June 4, 2009, against defendants HAL BRODY and STEPHEN BUEL. The parties have reached a settlement in principle and are presently exchanging draft settlement agreements. The first Case Management Conference is scheduled for September 15, 2009, and August 25, 2009, is the first of various deadlines keyed to the CMC date. In order to allow the parties to complete the settlement without the unnecessary expenditure of additional resources by this Court and the parties, the parties hereto stipulate and respectfully request that the Case Management Conference be rescheduled to September 29, 2009, or to such later date as is convenient to the court, and that all deadlines contained in the Order setting Initial Case Management Conference and ADR Deadlines in this matter be continued accordingly. Pursuant to Local Civil Rule 6-2, the only previous time modification in this case was a stipulation to extend the defendants' time within which to respond to the complaint.
